To provide parents with reassurance regarding schools as safe havens.

- The attached letter from Superintendent Alberto M. Carvalho is provided to reassure all parents that schools are safe havens for their children.
 - The Superintendent reiterates that all children will receive a quality education without reference to their legal status.
 - The Superintendent encourages all families to take advantage of food programs available to them.
 - This letter, which has been provided in English, Spanish, and Haitian Creole, should be provided to parents in the most convenient way. That may include an electronic distribution, publication in a newsletter, or hard copy distribution.
