ACADEMY/STRAND DESCRIPTIONS 2010-2011

Academy of Hospitality & Tourism (AOHT)

The Academy of Hospitality & Tourism (AOHT) prepares students for hospitality and tourism careers with a focus on business marketing and management. AOHT is affiliated with the National Academy Foundation (NAF); DECA, an Association of Marketing Students; and the Network for Teaching Entrepreneurship (NFTE). The program provides training for entry-level management positions in lodging, food service, travel, tourism, and sports/entertainment events.

Design Arts & Entertainment

- Commercial Art Technology
- Graphic Animation
- TV Production

The Design Arts & Entertainment Academy represents the wave of the future. Students will be involved in multimedia activities such as live broadcasting, commercial art, and graphic animation. Hands on experience with our state of the art equipment will prepare students for careers in design arts and television.

Engineering

- Engineering Technology

The Engineering Academy presents the cutting edge of technology in the field of Engineering. Students with an interest in math and science have the opportunity to develop and showcase their talents and abilities through this academy.

Health Sciences

- Dental Aide
- Medical Assisting
- Nursing
- Physical Therapy
- Sports Medicine
- Veterinary Assisting

The Health Sciences Academy offers a multitude of programs designed to meet the needs of students interested in pursuing a career in the medical field. Programs are designed to fulfill predicted critical shortage areas in the health services industry. State of the art equipment, school site working labs, and high level math and science courses provide students with a well-rounded background to meet today's medical needs.
